

# How to nominate

ON SOUTHERNTIERTUESDAYS.COM

1

Head to the website and click the "NOMINATE" tab

2

Share a few lines of how your organization has impacted the community in the appropriate county category

3

Nominate once per day and watch for reminders to vote!

The Voting & Selection Process: Nominations are collected monthly. An independent committee reviews the nominations each month and narrows down to 12 finalists. Finalists are announced on Southern Tier Tuesdays social channels prior to the voting window. Voting occurs during a 5-day window each month. Those receiving the most votes during that window will determine the upcoming month's grant recipients.
